Higher Education

TEQSA Registered in the "Institute of Higher Education" category

Instructions:

Students can request an extension of submission date for written and in-class assessments where they have valid grounds. Such requests must be made formally by completing the Request for Assessment Extension Form, **on or before the submission date** and attaching relevant supporting documents.

The Request for Assessment Extension Form must be submitted along with supporting documents by email to Student Services at studentservices@aiihe.edu.au.

Grounds Considered Valid for Extension Requests:

a) Genuine Illness: A medical certificate is compulsory and must be obtained from a registered medical doctor. The certificate must explain the nature of the condition suffered by the student and the period during which the condition affected the student's performance;

b) Illness over Extended Period: A medical report should be attached to a medical certificate and must specify the nature of the condition suffered by the student and the period during which the condition affected the student's performance;

c) Genuine Misadventure: In the case of misadventure (personal/family crisis or accident), the Institute should be notified immediately, and a testimonial submitted as soon as the student returns from a forced absence. The student may be requested to attend an interview to establish the validity of their claims as well as to submit documentary evidence of misadventure, such as medical or police reports.

Any medical documents submitted as supporting evidence must cover sufficient details to provide an adequate rationale for the assessment extension application.

For details, please read the AIIHE Assessment Policy and Procedure available on the Institute's website.
